

Amp Research 76260-01A/76160-01A & 45B Hvac Module Warranty

5-Year Limited Warranty

This warranty is provided exclusively by **Northwest Overland LLC** and is not affiliated with or supported by AMP Research.

What is Covered

Northwest Overland LLC warrants all defects in materials or workmanship on specific products purchased from us and properly installed according to provided instructions, except those covered under any separate agreements or shorter warranty periods specified.

For How Long

This warranty lasts for **five years from the date of purchase** and includes any implied warranties such as merchantability and fitness for a particular purpose. The warranty becomes void if:

1. The product is removed from the original vehicle.
2. The original vehicle is transferred to another owner.
3. The product is not installed or used in compliance with the instructions.

This warranty is non-transferable and applies only to the original purchaser and vehicle.

What This Warranty Will Not Cover

This warranty does not cover:

- Damage, defects, or malfunctions caused by misuse, abuse, or accidents.
- Improper installation or modifications made to the product.
- Inadequate maintenance or environmental hazards, whether on-road or off-road.
- Incidental or consequential damages.

Note: Some states or provinces do not allow exclusions or limitations of incidental or consequential damages, so these terms may not apply in certain cases.
